

ISB SYMPOSIUM ON MOTOR CONTROL IN BIOMECHANICS

SUNDAY, 12 JULY 2015 | 10:00 AM TO 4:00 PM

SCOTTISH EXHIBITION AND CONFERENCE CENTRE (FORTH ROOM, SECC)

EXHIBITION WAY, GLASGOW, G3 8YW

ORGANIZERS: PROFS. CARLO J. DE LUCA (USA) • PHILIP ROWE (UK) • PAOLA CONTESSA (USA)

*A forum to foster the growing interest in scientific work at
the intersection of Motor Control and Biomechanics*

KEYNOTE SPEAKER INVITED SPEAKERS

Professor Paavo Komi
University of Jyväskylä,
Finland

Professor Benno Nigg
Professor Vinzenz Von
Tscherner
University of Calgary,
Canada

Professor Joseph McIntyre
Ikerbasque Research Profes-
sor, Tecnalia Research and
Innovation – Health Division

Professor Aurelio Cap-
pozzo
University of Rome "Foro
Italico", Italy

Professor Carlo J. De Luca
Boston University, USA

Dr. Madeleine Lowery
University College Dublin,
Ireland

Professor Patrick van der
Smagt
Technische Universität
München, Germany

Professor Marco Knaflitz
Politecnico di Torino, Italy

Professor Katherine Steele
University of Washington,
USA

Dr. Maria Cristina Bisi
Università di Bologna, Italy

Who Should Attend: Researchers and students with an interest in Biomechanics and Motor Control should attend. Participants will have the opportunity to discover the latest developments at the intersection of these two fields and discuss with experienced investigators.

Registration and Fee: Attendance is free, lunch will be kindly offered by the NeuroMuscular Research Foundation, MA (USA). If you would like to attend, please register at www.mcg.isbweb.org/registration.html

NeuroMuscular Research Foundation, MA (USA):
The NeuroMuscular Research Foundation was established by Professor Carlo J. De Luca »

The goal of the foundation is to recognize researchers in the field of Electromyography and Biomechanics with emphasis on Motor Control. It provides an annual award, the Delys Prize; and the Emerging Scientist Award administered by the International Society of Biomechanics.
